Welcome to the Product Matters 6.0 Capstone Project!

Congratulations on completing the learning journey! It's now time to apply everything you've learned throughout the bootcamp to solve a **real-world Product Management problem** in collaboration with **IndusInd General Insurance**. Your Capstone Project carries an overall **weightage of 20 marks out of 100** for the course.

Capstone Project

As a **Product Manager at IndusInd General Insurance**, your challenge is to reimagine how customers discover, purchase, and manage general insurance through a seamless digital experience. Your solution should address the complete insurance lifecycle—from discovery and policy management to claims and renewals—while creating long-term customer value.

Submission Requirements

Your submission should include:

- **Presentation Deck (Maximum 15 Slides)**
- **Clickable Prototype** (Figma, Lovable, Bolt, Replit, Cursor, or any preferred tool)
- **LinkedIn Post (Mandatory)** explaining your solution and tagging **E-Cell IIT Guwahati** (10% of the capstone evaluation)
- **Demo Video (Optional)**

Important Deadline

Submission Deadline: 20th July, EOD

Important

- Ensure all submission files are uploaded before the deadline.
- Follow the problem statement and submission guidelines carefully.
- The **LinkedIn post is mandatory** and forms a part of your final Capstone evaluation.

This is your opportunity to showcase your product thinking, strategy, execution, and design skills. We can't wait to see the innovative solutions you build.

All the best, and happy building!
